

1st Leasing Commission Disclosure

As a credit broker regulated by the Financial Conduct Authority, 1st Leasing will introduce you to a range of finance providers.

We will only offer products from a selection of finance providers. We will not refer you outside of this panel without your consent. You can ask us for a list of the suppliers who provide our finance and insurance products. All the products we offer are optional.

We will always feature headline rentals from our selection of finance providers that represent the best value based on terms and mileage. These selected finance providers will be made known to you before we submit any credit application.

We may receive a commission from one of our finance providers should you decide to enter into a leasing agreement with them. Any commission will be included in the monthly lease rate that you pay for your vehicle.

If you would like more information regarding the disclosure of commissions, please e-mail: sales@1st-leasing.co.uk
